If I am an Active Duty Commissioned Officer or Commissioned Warrant Officer, I understand I incur an ADSO of two years, or if I am an officer in the Army Reserve (including mobilized officers) I incur a RDSO of four years after completion of the last course for which TA is provided unless involuntarily separated by the Army. I would like to attend Minnesota State University-Moorhead to receive an Associates Degree in Criminal Justice. As an Infantryman with previous medical experience I believe my military service in the National Guard has given me the skills to succeed as a law enforcement officer. My goal is to graduate from MSU-Moorhead with an Associate's degree then transfer to North Dakota State University and get my Baccalaureate in Criminal Justice. I believe this progression would give me an edge over other applicants applying for federal law enforcement positions in the FBI or DEA.

Tell our Education Counselors why you wish to attend your selected school. Please include information relating to the degree you wish to achieve, campus location, and why you selected your major. This may be filled out in a narrative format and may include stories. This information will assist in determining your approval eligibility for the selected campus.
